

Splinter

3+ players

Aim: To get the most points over eight rounds.

You will need:

- A single piece of A4 paper and a pair of scissors for each player
- Extra paper to keep score
- A timer

Set up:

- On your first play, cut out the *colour discs* and *number discs*
- Give each player a piece of paper and a pair of scissors

How to play:

On each round:

- Select one colour disc and one number disc at random. The two discs together indicate the circle containing the task you will undertake.
- If you are undertaking a yellow or purple task, select another colour disc and number disc. These two discs indicate the theme of the task.
- Set the timer for 4 minutes.
- Within the time set, players must execute the task using as much of their paper as they wish. **IMPORTANT:** Players are only allowed to use one piece of paper each for the whole game.
- When the time runs out, all players must immediately stop working. Then scoring takes place.

Game End:

The game ends after the 8th round. Then scoring takes place.

Scoring:

- 3 points for the task winner
- 1 point for the task runner up.

For orange & purple tasks each vote for the player you think has done the best. You can't vote for yourself. No voting is necessary for green and pink tasks.

Game End:

The game ends after the eighth round. The player with the most points overall wins.
