

# Aster Garden

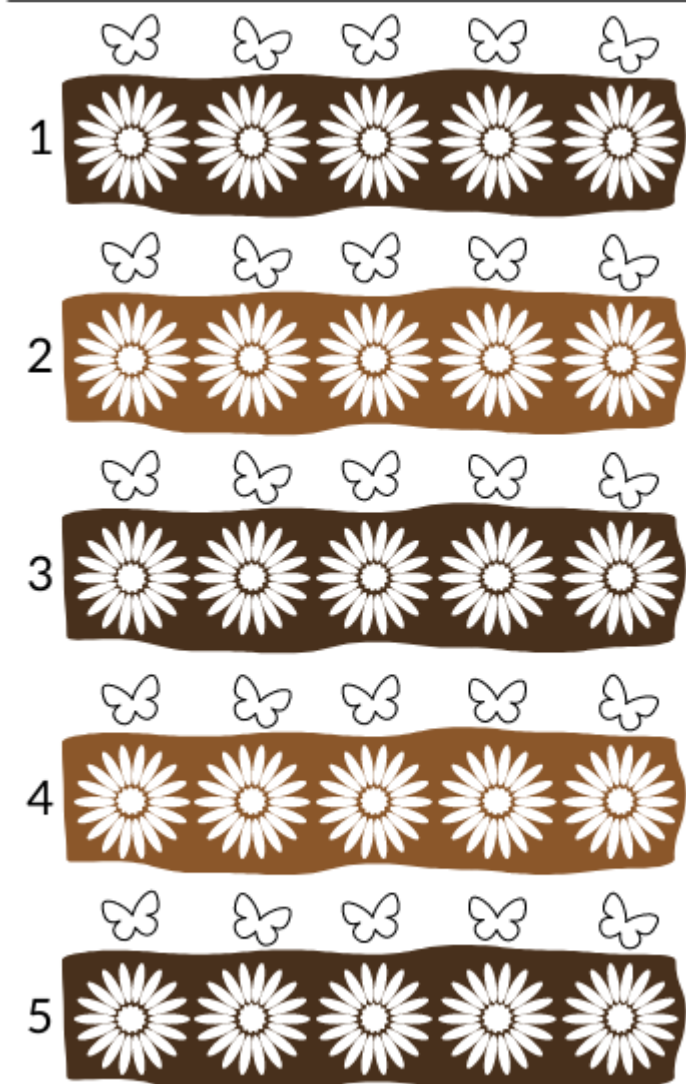

- Throw two dice. Choose one die for colour and one for number.
- Colour one flower in the chosen numbered flowerbed in your chosen colour.
- If you can't or don't want to play, cross out a 'No Throw' box.
- The game ends for you when you have crossed out all three no throws.
- Calculate your score for each flowerbed by referencing the scoring patterns. Colour in a butterfly for each point scored.
