The local grannies are on a mission to clean up the neighbourhood. Armed with trusty shopper trolleys, they prowl the streets searching for rubbish to collect and later deposit at recycling centres.

But there's a lot of competition out there. Can you power up, snatch the trash from under the noses of your rivals and scoop the most valuable contracts?

How to Play

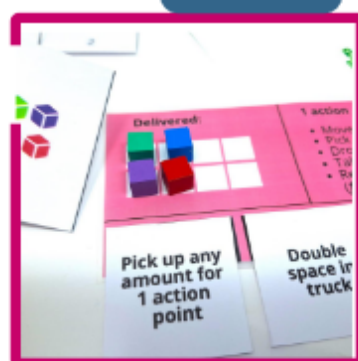

Each turn you take **four actions**. Possible actions:
1) Move, 2) Pick Up, 3) Deliver, 4) Refill Space, 5) Take Card. You may take the same action multiple times.

The space you end your turn on is blocked for other players. They can pass through, but not pick up, drop off or end their turn there.

Deliver rubbish from the top of your trolley to matching colour spaces, then move it onto your player board.

Discard rubbish from your player board to activate power cards or complete public contracts. The player with the most points from contracts wins.
