

BATTLING BEASTIES

A DICE FLICKING GAME

OVERVIEW

Use your dice beasties to battle your rivals.

Flick your dice into another in order to attack. But will the power of your beast be enough to squish your opponent's beastie?

Last beastie standing wins.

HOW TO PLAY

On your turn, attempt to flick one of your dice into another player's die.

If one beastie is stronger than the other, the weaker beastie is **SQUISHED!**

Squished beasties are removed from the game.

If a die ever shows a squished beastie or rolls off the table it is **SQUISHED!**

The last player with dice in play is the winner.
