How to Play

**PUSH
YOUR
LUCK**

Your dog card shows which dogs you are backing.

On your turn, flip cards and put them in your GOOD pile or your BAD pile.

If you stop flipping of your own accord... you add all of the cards in your GOOD pile into the dogs to stretch them.

Discard the cards in your BAD pile.

If you flip two "Walkies" cards, instead you must put all the cards in your BAD pile into the dogs to stretch them.

Discard the cards in your GOOD pile.

The game ends when one dog stretches across the table (10 tummy cards).

The player who owns the dog who has eaten the most sausages wins!
