

THE PEG GAME

The amazing spinning dexterity game!

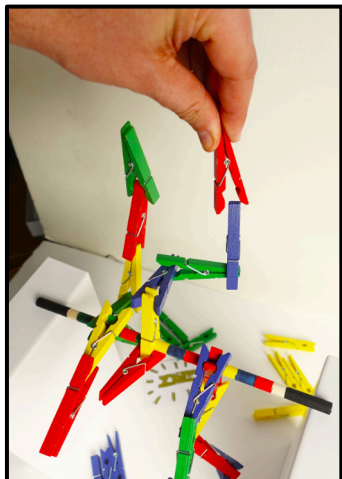

Age 6+

2-4 Players

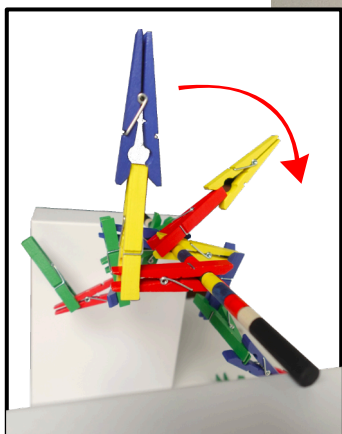

10-20 Minutes

Gameplay

On your turn, take one of your pegs and attach it anywhere on the rod or another peg. Make sure the colours don't match.

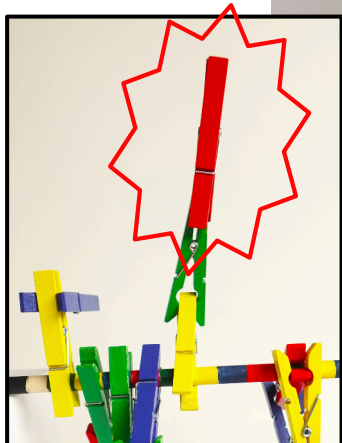

Watch the whole thing rotate!

If you have the highest peg - take the golden peg.

Now you skip your turn and save your valuable pegs for later...

Have the highest peg at the end of the game and you are the winner!

Add coloured pegs to the amazing rotating structure

Make it grow and watch it spin...

Will your peg be the highest at the end of the game?

Amazing spinning action!

Will you predict how it will rotate?
